B. Areas of State in which services will be provided:

☐ Entire State.

☒ Only in the following geographic areas (authority of Section 1915(g)(1) of the Act is invoked to provide services less than statewide): Carroll County

C. Comparability of Services

☐ Services are provided in accordance with Section 1902(a)(10)(B) of the Act.

☒ Services are not comparable in amount, duration, and scope. Authority of Section 1915(g)(2) of the Act is invoked to provide services without regard to the requirements of Section 1902(a)(10)(B) of the Act.

D. Definition of Services:

Children at-risk case management is a set of interrelated activities for identifying, coordinating, and reviewing the delivery of appropriate services for eligible at-risk children. The purpose of case management services is to assist those targeted at-risk children in gaining access to needed medical, nutritional, social, educational, transportation, housing, and other services; and to encourage the use of various community resources through referral to appropriate providers. Case management services will provide necessary coordination with the providers of health, family support, employment, justice, housing, counseling, nutrition, social, educational, transportation, and other services when needed.

TN No. 96-022

Supersedes

TN No. 92-035

Approval Date

1/13/97

Effective

9/1/96

The set of interrelated activities are as follows:

1. Establishing the comprehensive case file for development and implementation of an individualized service plan to meet the assessed service needs of the eligible child. Establishing priorities for initial linkages with providers. This unit of service may be billed only once for each eligible child.
2. Assistance to the eligible child in locating needed service providers and making the necessary linkages to assure the receipt of services identified in the service plan.
3. Monitoring and follow-up with eligible child and service providers to determine that the services received are adequate in meeting the child's assessed needs. Case management follow-up services are limited to 12 visits annually.
4. Reassessment of eligible children to determine the services needed to resolve any crisis situation resulting from divorce, death, separation, family structure changes, changes in living conditions, or other events.

E. Qualification of Providers:

1. Provider Qualifications

Enrollment will be accomplished in accordance with Section 1902(a)(23) of the Act. Enrollment is open to all providers who can meet the following requirements:

- a. Must have qualified case manager(s) and the capacity to provide the full range of at-risk case management services.
- b. Must meet the applicable state and federal laws governing the participation of providers in the Medicaid program.

TRANSMITTAL 92-25  
APPROVED 9-16-92  
EFFECTIVE 9-2-92  
SUPERSEDES (NEW)

- c. Must have demonstrated direct experience in the coordination of educational support services (e.g., EPSDT, Social Services, Counseling Services, Psychological Services, Student Assistance, Special Education, and Nutritional Services).
- d. Must have demonstrated the ability to obtain collaboration between public and private service providers.
- e. In order to avoid duplication of services and to promote effective community level networking, case management providers must have a signed collaborative agreement with the Carroll County Health and Mental Health Departments, Carroll County Department of Family and Children Services, Carroll County Juvenile Court, Carroll County Department of Children and Youth Services, and Carrollton City School System.
- f. Case Managers must have a high school diploma or equivalent; minimum of two years experience working with at-risk children and their families. Must be familiar with the community and services provided and demonstrate the ability to work effectively with children and families.
- g. Case Managers must complete a pre-service training program and a Family Connection designed and supervised practicum experience.

- F. The state assures that the provision of case management services will not restrict an individual's free choice of providers in violation of Section 1902(a)(23) of the Act.
1. Eligible recipients will have free choice of the providers of case management services.
  2. Eligible recipients will have free choice of the providers of other medical care under the plan.
- G. Payment for case management services under the plan does not duplicate payments made to public agencies or private entities under other program authorities for this same purpose.
